Absolute beachfront property in lovely Golden Bay

Recently extensively renovated home right on Natures doorstep (Kahurangi National Park).
 Consented retail outlet part of property plus further employment possibility may go with the property but is not a condition of sale.
 Flexible as to leaving the property furnished.

Scenario 1: A beautiful home right on one of the country's safest beaches, a retail outlet for your hobby, shares in a farm machinery maintenance business complete with van, a selection of tools, gear, a client base already established with an unobstructed prospect of expansion to suit your energy levels and finally a lifestyle in an area known for fishing, hunting and the great outdoors!

Scenario 2: A seaside retreat - syndicate purchase as the closest garage to the house (c. 6m x 4.5m), can be converted to a sleepout + ensuite with very little effort leaving a 6m x 9m garage for your boat, car etc.
 Only about 2 hours from Nelson makes this location an ideal getaway.
