Much More Than Meets The Eye ...

It's time for new beginnings for this much-loved family home in one of Titirangi's favourite streets.

The house is in a well-maintained, original condition and was purchased by the current owners when it was built in the 1960's. Nicely positioned on a 991m², sunny, elevated section, it is weatherboard with a tile roof, 3 bedrooms and separate dining. A real bonus downstairs is an amazing entertainment area complete with a bar, another room which could be an office or bedroom with its own entrance, a large laundry area and internal access garage.

This property offers the opportunity to modernise and add value immediately or simply enjoy as it is and land bank for the future.
